WORK EXPERIENCE

Cashex (Web Development Intern)

Jan 2024 - Mar 2024

Collaborated with a team to design and develop web pages using HTML, CSS, and Tailwind CSS, React.js. Took primary responsibility for developing the home and contact pages of the website, ensuring responsive design and user-friendly interface. Integrated the contact page with Google Sheets through Google Apps Script to automate data collection and management.

CodSoft (Python Programming Intern)

Developed **GUI-based applications** using **Tkinter**, completing the assignments that enhanced programming and problem-solving skills.

CERTIFICATES

Java Programming Certificate from NPTEL.

Database, Python, and JavaScript Essentials Certificate from NxtWave.
